1x TRICAD^{ms} student license

Valid for two consecutive semesters (1 year)

75.00 €

Contract terms

1. Student licenses are only made available to students for a maximum of the duration of their studies. The activation of the licenses takes place within the contract period for two semesters, and will be extended for another semester or until the agreed end date upon presentation of a valid enrollment certificate.

2. The licenses may only be used for training, education or non-commercial research purposes during the contract period. The student version is to be used exclusively for training / study purposes. Any commercial use is prohibited.

I agree to the terms of the contract:
